DECLARATION FOR PATENT APPLICATION

This Declaration is made by Don R. Jorgenson.

I, Don R. Jorgenson, hereby declare:

I am a citizen of the United States of America and that my residence and mailing
address is: 624 Morsman Drive, Fort Collins, CO 80526, US.

CA

I, Don R. Jorgenson hereby declare:

I am the original, first, and sole inventor of the subject matter which is claimed, described and for which a patent is sought on the invention now entitled "Systems and Methods of Establishment of Secure, Trusted Dynamic Environments and Facilitation of Secured Communication Exchange Networks" the specification of which has been provided to me at or prior to the time of signing this declaration. I have reviewed and understand the contents of this specification as above entitled, including any claims and preliminary amendments.

I also believe that I am the original, first, and sole inventor of the subject matter which is claimed

and for which a patent is sought in:

- International Application Number PCT/US2004/035457 filed October 25, 2004 entitled, "Systems and Methods of Establishment of Secure, Trusted Dynamic Environments and Facilitation of Secured Communication Exchange Networks"; and
- United States Provisional Application Number 60/481,551, filed October 24, 2003, entitled " Method and System for Managing Constrained, Multi-Nodal, N-Way Relationships in a Dynamic, Distributed Environment".

I hereby claim the benefit under Title 35, United States Code §119 of US Provisional Application 60/481,551, filed October 24, 2003; there are no foreign applications having a filing date before that of the application(s) on which priority is claimed.

I hereby claim the benefit under Title 35, United States Code §365 of PCT International Application Number PCT/US2004/035457 filed October 25, 2004. To the extent applicable, I have identified in the request of this application, in compliance with PCT Rule 4.10, any claim to foreign priority and I have identified above by application number, country or Member of the World Trade Organization, day, month and year of filing, any application for a patent or inventor's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America, having a filing date before that of the application on which foreign priority is claimed.

I hereby declare that the specification and disclosure herein submitted is intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the invention which may encompass permutations or combinations of any aspects of the invention; any aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. I also authorize and support this application for patent protection in the United States, and for similar protection in foreign countries, each to be sought to the extent or breadth any owner desires or deems appropriate. I acknowledge that each of the attorneys and the firm filing this application is/are attorneys for the Don R. Jorgenson only.

I acknowledge the duty to disclose information which is material to the examination of any US application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of any US application or any US patent issued thereon.

I hereby grant the firm of Santangelo Law Offices, P.C., the power to insert on this Declaration or any other document any further identification which may be necessary or desirable in order to indicate filing information or to comply with the rules of the United States Patent Office or any foreign patent office for recordation of this document, including, but not limited to, inserting the application number, the execution date, mailing information, or the filing date of any application based upon the Invention.

SIGNATURE:

Date: 1/21/05

Don R. Jorgenson
Don R. Jorgenson

**STATEMENT ESTABLISHING SMALL ENTITY STATUS
(SMALL BUSINESS CONCERN)**

I, Don R. Jorgenson, as President and CEO of Dynexus, Inc., pursuant to 37 C.F.R. Section 1.27(c) state that the following facts are true:

1. I am President and CEO of Dynexus, Inc. As such, I am empowered to act on behalf of the Assignee.

2. As set forth in 13 C.F.R. Section 121.802, Dynexus, Inc. is an entity whose number of employees, including those of its affiliates, does not exceed 500 persons and which has not assigned, granted, conveyed, or licensed, and is under no obligation under contract or law to assign, grant, convey or license, any rights in the subject matter of the enclosed Patent Application to another entity that does not qualify under small entity status, other than end-user licenses of software. In accordance with MPEP 509.02, the small entity rules appear not to apply to end-user licenses of software. Accordingly, Dynexus, Inc. appears to qualify as a small business concern as defined in 37 C.F.R. Section 1.27(a)(2).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by

fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dated this 21 day of January 2005.
